ORACLE

Certified Professional

Java SE 7 Programmer

Vineet has around 11 years of experience in product development and maintenance using Java and related technologies. He has an excellent debugging skill of Java based Web applications. He has worked on various Java related frameworks, like Struts, Spring, Hibernate etc. In a very short span of time, he has learned best coding practices. He is a great fan of Uncle bob. He is hardcore Agile follower, having a good command over Atlassian tools like Jira, Confluence and Bitbucket.
