## Education Background

- *Bachelor of Computer Science And Engineering, SVS College of Engineering, Coimbatore, 2016.*

- *Z.K.M Higher Secondary School, Bodinayakanur, 2012*

## About Me

I am a Salesforce developer with 7 years of hands-on experience, dedicated to delivering top-notch solutions that drive business success.

## Professional Experience

**Velocity** *(July 2019 – Present)*
Key responsibilities:
- Played a vital role in extending the development logic in aura component and worked on lwc.
- Communicate with clients to determine specific requirements and Expectations.
- Follow the project life cycle methodology like Sprint and ensure the customer budgets were met within the project budgets
- Customized the Site pages to access order information

**Nudebt** *(Dec 2016 – Jun 2019)*
Key responsibilities:
- A robust platform used in the Debt Relief Industry, providing tools to manage business processes, marketing, negotiations, contracting, payment processing, client retention, and more. It also incorporates advanced functionality such as auto-calculations and complex payment scheduling.
- Developed custom visual force pages with lightning.
- Developed multiple Apex REST web services and SOAP web services.

## Experience

Currently, I am employed as a Salesforce Software Engineer at **Softsquare Solutions Private Limited**, Chennai, since July 2016.

## Certification

In Dec 2018, I successfully obtained the certification for **Salesforce Platform Developer 1**
