

Saksham Sangal

Java developer (18 months of experience)

Personal details

Date of birth	27-Nov-1996
Mobile number	8218312880
Email id	sakshamsangal111@gmail.com
Permanent address	HN-153, Adarsh colony, Muzaffarnagar, Pin:251001, Uttar Pradesh

Profile summary

Java developer with 5 months of experience at Decimal Tech(current) and Wipro (former, 13 months experience). Major interest in competitive programming in java, data structure & algorithm, backend development. Worked on many major and minor projects for competitions, trainings, and for self-learning. Also worked on web-based projects JavaScript and Angular.

Work experience

I am working as Associate Engineer L1 at Decimal Tech from (Nov 2020 to present). I served the Wipro as project engineer from July 2018 to August 2019. Worked on spring boot application and created REST APIs for the project.

Projects worked upon

Bandhan bank neo+ project: 2021

Consumed and developed rest API. Saved the response into mysql database using hibernate and java spring boot.

Service-now and helpdesk integration project: 2021

Integrated tickets from service now and internal ticket mgt. system. Created rest api for the project(add, view, view-all, update api etc). using java spring boot.

Angular project : 2020

Created front end of bandhan bank neo+ project using angular also covering auth-guard, lazy loading, token based authentication etc.

Real time attendance using face recognition: 2018

Developed backend part of face recognition-based attendance using PHP and MySQL

Internship: Big data from IBM (May 2017 – July 2017)

Chart production using IBM Cognoose which simplifies the visualization of data and develop weather forecast app using Hadoop programming.

Skills

Problem solving skill, data structure and algorithm, java, spring framework, MySQL

Education

B. Tech | CSE

AKTU, Lucknow 2014 – 2018 Aggregate: 75%

Intermediate | PCM

CBSE, 2013 – 2014
Aggregate: 89%

Matriculation

CBSE, 2012
CGPA: 9.2

Awards

KPIT innovation award
Smart India Hackathon, 2018
