

# Amit Kumar Agrawal

## Salesforce Technical Consultant

I am a seasoned IT Professional with strong expertise in designing, building and delivering complex applications using Force.com/Lightning platform (SFDC). With over 11 years of hands on experience on Solutioning, Technical Design, Development and handling large teams for global enterprises. I have provided solutions for business using Salesforce.com product suites. Expert in Sales, Service, Community and Marketing clouds with in-depth knowledge in Lightning, LWC, Custom Integrations (SOAP & REST), Middleware like Mulesoft & Cast-Iron, SSO, Data Migration Strategy, Salesforce Classic to Lightning migrations. Also, I am a Technology Evangelist, helping the developer community to learn and up-skill in Salesforce through training and occasionally being a speaker at developer events.
