- Kisanveer Sugar Factory,bhujinj(Threemonthinternship)-working electrical department
- Summer training (2017) (1 months) from M.S.E.B. (Maharashtra State Electricity Board) SATARA.

## ACADEMIC PROJECT

- **Title**-Single phase& three phase loadbalancing
- **Duration**-(6months)
- **Description** – this project is used in Agriculture field for the irrigation purpose three phasepower is transmitted but due to unbalance of power there is risk of damaging to the agriculturerepump so in agriculture field this concept is useful .this is also useful for small scale industriessuch as food industry in rural areas because of unbalancing supply voltage . in industrywhenever three phase suplpy is and available at that time present voltage level is boosted by using transformer based load balancing

## EXTRA CURRICULAM :

- NSS Member
- Participated in MIMEACTin inter college
- Intermediate grade drawing examination held in the year 2011
- Participated in Maharashtra (RoadSafetyPolice) activities

## HOBBIES:

- playing

## PERSONAL DETAILS:

- Name :Omkar Prakash Pisal.
- DateOfBirth :24 sep 1997
- Gender :male
- Strength :Positive attitude, Friendly Nature.
- Language known :Canspeak ,Read and Write ENGLISH ,HINDI ,MARATHI

## DECLARATIONS:
