### WORK EXPERIENCE

#### Salesforce Developer Tata Consultancy Services

10/2017 - 12/2019

*Achievements/Tasks*

- Led the team of 3 people and assisted 2 others simultaneously

#### Senior Salesforce Developer Extentia Information Technology

01/2020 - Present

*Achievements/Tasks*

- Got the client appreciation mail for a bug free delivery solely
- Worked in multiple projects at once

### PROJECTS EXPERIENCE

#### TCC Corporate Salesforce (01/2018 - 12/2018)

- TCC Corporate Salesforce was a sales cloud project where business is moving their entire data into Salesforce from their third party orgs and will get to start using Salesforce with Lightning Experience

#### Sales Lightning (01/2019 - 04/2019)

- Sales Lightning was a migration project. We were migrating all the functionalities and user experiences from classic to lightning.

#### Code Optimisation (05/2019 - 05/2019)

- Code optimisation project has been started to optimise the trigger of all objects. We needed to apply the recursive checks and separate the triggers for after and before events.

#### LCRM (06/2019 - 12/2019)

- In LCRM we were taking care of the legal part of the client. We were developing the new requirements in lightning and simultaneously migrating the existing components from classic to lightning.

#### Syndication (01/2020 - Present)

- It's lightning project, where I am a single developer working for the clients to keep the tracks of homeless people of US. Also, in parallel worked on conga reports too.

#### Mapplotter (06/2020 - 08/2020)

- It's an appexchange product, which helps users to plot multiple points on a map and they can export the data points in the excel file.

#### FSD Opportunity (11/2020 - 12/2020)

- FSD was a service cloud basic configuration project for the client which are in security services. We helped them to manage their ticketing and commission system.

### CERTIFICATIONS

Salesforce Certified Platform Developer 1

Salesforce Platform App Builder

### EDUCATION

#### B.Tech (Computer Science & Engineering) Techno India, Salt Lake, Kolkata

07/2013 - 06/2017

### ADDITIONAL INTERESTS

- I have taught in the government school as a part of TCS Maitree(Cultural Club).
- Completed a marathon of 10km in 78 mins.
