WORK HISTORY

● Data Analyst, 2/2017 to 8/2020

MGM International – Las Vegas, NV

Queried various SQL databases & implemented trending reports via Cognos & Power BI used to sift out fraudulent behavior & increase departmental efficiencies. Designed ETL processes that produced automated analytical reports & Power BI Dashboards for Corporate Security, Gaming, & Coupa procurement. Administered SQL Server duties, performed exploratory data analysis, & communicated with data staging teams to ensure data integrity & availability for daily auditing. Spearheaded Data Governance projects to assure standardization & efficiency.

● Financial Analyst, 10/2006 to 09/2016

Primm Valley Casino Resort – Primm, NV

Augmented quarterly MICS 17 audits for Advantage, CMS, EzPay, IGT, KENO, NRT, and Race & Sports gaming systems after SQL development & analysis. Issued exceptions throughout the company when practices failed to meet internal control standards. Performed ad-hoc analysis & monthly budget reporting of P & L. Implemented Weekly Analysis for Price and Casino Revenue. Redesigned the distributed Daily Managerial Report & reduced the auditing time by 60%.

● Lead Consultant, 10/2001 to 10/2006

Series Solutions – Pomona, CA

Created and maintained organizational web sites & databases. Designed and published layout of project documentation and tutorial. Performed hardware maintenance & OS software upgrades on stand-alone computers.

● Automation Assistant, 05/2001 to 09/2001

United States Air Force, – El Segundo, CA

Researched, Analyzed, and Coordinated wireless telecommunication technology into presentations. Designed and Implemented department web sites and integrated databases.
