Technical Skills

- RPA Tools : UiPath, BluePrism,
- Data Base : MySQL
- Web Tech : HTML
- Operating system: Windows 7/10
- Defect/Bug Tools : Jira
- Microsoft : Excel, Power Point, Word
- Languages : Java

Certification-

- UiPath Foundation Training
(UiPath Academy)
- UiPath Advance Developer Certification
(UiPath Academy)
- Blue Prism Foundation Training
(Blue Prism university)

Educational Details

- BSc (2020)
- 12th (2013)
- 10th (2011)

Personal Details

- Father’s Name: Satish Mahajan
- Date of Birth: 14thMay 1995
- Sex: Male
- Marital Status: Single
- Nationality: Indian
- Languages: English, Hindi, Marathi

Project Details-

Project: STG Logistics

Domain: Logistics

Role: RPA Developer

Organization:- XLNC Technologies (04/2023- 01/2024)

- Developed process flow as per the requirement.
- Understanding Logical flow of the Application from Business Knowledge.
- Developed the RPA bots from scratch in an end-to-end process.
- Worked with Production support during UAT and Production Installs
-

Project: Loan Processing

Domain: Banking Domain

Role: RPA Developer

Organization: Innovation System (01/2022 – 02/2023)

- Our task is to ensure that the environment developed by us should not cause any deviation.
- Automated Web application using UiPath
- Each task or object developed, needs to be tested under all circumstances before its being deployed for live functioning.
- A daily/weekly performance reports needs to be sent out to the team and management and indicate the difference and deviations occurred during action.
- Perform Unit Testing on each object developed on a regular basis before deploying to UAT

Project: PLI (Personal Line Account)

Domain: Insurance

Role: Desktop Support Engineer

Organization: Innovation System (09/2020 – 12/2021)

- Involved in requirement calls and process design sessions
- Closely associated with control team for daily production run.
- Participated in Daily review meeting with SA.
- Processes Execution and Monitoring.
- Involved in knowledge Transfer calls.
- Production Support.
- Overall Maintains and Support.
- End to End process testing.
- Release Management.

Declaration:

I do hereby state that the above-mentioned information is true to the best of my knowledge and Belief.
