

Rajwinder Singh

CAREER OBJECTIVE

I am a recent **IT** graduate seeking a position to utilize my skills and abilities in the Information Technology, which offers professional growth while being resourceful, innovative, and flexible.

EXPERIENCE

TSE (Technical Service Executive)

Kochar Tech, Amritsar / May 2019–September 2019

- Worked with the online shopping apps Meesho and Swiggy to provide assistance as a help desk and troubleshoot customer queries.
- Leveraged my knowledge of IT for problem-solving and fixing bugs in existing apps.
- Helped implement a new process to streamline communication between the marketing team and customers while providing customer satisfaction.

EXTRA-CURRICULAR & ACHIEVEMENTS

- Participated in divinity exams in 2005, 2007, 2008, and received awards.
- Participated in my high school's soccer team.
- Participated in an essay writing competition organized by Punjab National Bank (2017).

PROJECT

- Developed the "Online Bookstore" website for a university project using VB and C# in Visual Studio (*January 2019–April 2019*).
- I have worked with SQL to build a database.
- Provided security of data, ensured data accuracy, minimized manual data entry with greater efficiency, and user-friendly interface.
