WORK EXPERIENCE

Cloud Ops Engineering Sr. Analyst Accenture

05/2017 – Present India

Achievements/Tasks

- Star of the Business Award 2018/ Design, architect and provide solutions for different applications based on Linux on AWS, GCP and VMware. Experience in architecting spacewalk as an orchestration platform. Experience in puppet, Ansible and BMC Bladelogic. Experience in deploying different databases on Linux (mongodb, postgresql, mysql)

Senior Linux Administrator CSC Technologies PVT. Limited

01/2016 – 04/2017 India

Achievements/Tasks

- Troubleshooting Linux OS and application issues, commissioning new servers.

Project Engineer Wipro Limited

12/2012 – 01/2016 India

Achievements/Tasks

- Commissioning linux VMs and physical machines, maintaining the servers, providing support to the clients 24/7.

TECHNICAL SUMMARY

Accenture (05/2017 – Present)

1. Setting up spacewalk (automating server orchestration) as POC. 2. Experienced in BMC bladelogic 3. Setting up Hortonworks multimode cluster with hadoop and other components. 4. working with puppet on automating server management. 10. Designing solutions on AWS and Google Cloud. 11. Working extensively on Ubuntu, Redhat, centOs, Oracle Linux troubleshooting. 12. Windows AD integration with Linux OS and modules. 12. Experience in deploying Ansible and Jenkins.

CSC Technologies Pvt. Limited (01/2016 – 04/2017)

1. Memory utilisation tuning 2. Vulnerability patching 3. Linux OS issues troubleshooting 4. Commissioning servers as per client requirement.

Wipro Limited (12/2012 – 01/2016)

1. Supporting 5000+ Linux servers remotely. (Physical, virtual) 2. User Management Issues 3. Kernel upgrades 4. Hypervisor and server installations 5. Application installation 6. Troubleshooting Linux issues 6. Firmware upgrades and handling Hardware issues 7. working on datacenter location

EDUCATION

Bachelors Of Computer Application M.S.Ramaiah Institute of Arts, Commerce and Science

05/2009 – 06/2012 India

Courses

- Computer Science

ACHIEVEMENTS

Star of the Business Award (05/2017 – 05/2018)
