## **Credosys Technologies. Pvt. Ltd. -> April 2018 To March 2020**

**Gems Rewards, Triple Plus, NoorBank Infinity Treats, SeaMiles,Flutter Developer**

### **Description:-**

GEMS Rewards is an exclusive rewards programmer, designed for the GEMS community of students, parents and staff. The GEMS Rewards Programmer is our way of saying ‘Thank You’ to our parents and staff. Designed to reduce the impact of school fees and further enhance the lifestyle of our families and staff, the programmer is comprised of four key elements – 1. Partner Network – through a network of partners across dining, retail, travel, entertainment and more, GEMS has negotiated offers and discounts that significantly contribute to everyday savings. 2. Travel & Gift Cards - Earn GEMS Points for making flight & hotel bookings or purchasing gift cards on the app. 3. The GEMS Ambassador Programmer – offering GEMS Points to parents who refer children to participating schools, upon successful enrolment. 4. The GEMS FAB Credit Card offers up to a 4.25% discount on school fees. The program is also focused on creating additional value through special money that can't buy experiences and events for our community.

**Roles and Responsibilities:** Working on building a new flutter mobile application.

Created reusable widgets of primary colors and font sizes that can be referenced in any module of the codebase.

Involved in reviewing the code.

Used to track the agile approach through Jira.

Efficiently consumed and managed RESTful web services with JSON formats.
