Contact No : +917989930338

## CAREER OBJECTIVE

As a fresher, I want to put to use my creative skills like , technologies that I am familiar with Core Python innovative thoughts that will benefit the Organization in the long run and also help me in building my professional career.

## EDUCATIONAL QUALIFICATIONS

COURSE	COLLEGE/UNIVERSITY	PERCENTAGE/CG PA	YEAR OF PASSING
B.TECH(ECE)	Sri Devi Women's Engineering College	71.3	2019
Intermediate (M.P.C)	Narayana Junior College	94.3	2015
SSC	Sri Vijaya Bharathi High School	8.7	2013

## PROJECT DETAILS

- Mini Project Name** : Automatic pet feeder using Arduino.  
**Description** : The scope of this project is to implement automatic food server to pet timely this is done by setting up the time according to your pet's eating schedule, the device drop or fill the food bowl automatically. It has a DS3231 RTC (Real Time Clock) Module, which used to set time and date on which your pet should be given food.
- Major Project Name** : Bank locker security system using Multibiometric fusion.  
**Description** : The project aims in designing higher security locker system for valuable things in banks. This project uses ARM7 to control various devices like fingerprint module, GSM module , motor etc., with the master motor. This lockers with biometric is applicable to many purposes like to store important files in office, jewellery, money etc. so we implemented security system which provide more security .

## TECHNICAL SKILLS

- **Languages Known** : Core Python (3.6) and C.
- **Web technologies** : HTML5, CSS3.
- **Project Management Tools** : MS OFFICE (Word/PowerPoint/Excel).
- **Operating System** : Windows XP/7/10.

## CERTIFICATIONS & INTERNSHIP

- Study of 902B(smoke screens) in ODF, Medak.
- Optimization techniques for digital design in CITD,Hyderabad.

## ACHIEVEMENTS & ACTIVITIES

- Participated in Events Organized in BVRIT Fest.
- Participated in SWECHA Workshop conducted in College.
- Participated in co-curricular activities.

## STRENGTHS

- Positive thinking and Decision Making Skills.
- Adaptable in any Environment.
- Teamwork and Quick Learner.

## PERSONAL DETAILS

Languages known : English, Hindi, Telugu.  
Gender : Female.  
Nationality : Indian.  
Marital Status : Single.
