Ar. Akshay Kumar A Salecha

Bachelor of Architecture & Licensed Architect by COA

E-mail ID - architectaskshaysalecha@gmail.com

Phone No. - +918880427333

I am a 25yrs old Architect with a B.Arch from BMS College of Engineering, living in Bengaluru. Been 2 decades, still amused by the Construction techniques day by day. I travel, I have completed my trek to Mt. Everest Base Camp as my Graduation treat.

A keen Observer. My ways of reasoning and thinking to objective design makes me a potential candidate and you will find me Motivated, Responsible and a highly Committed team player.

Shriram Properties

Senior Architect

I have been handling Land Development projects – Apartments , Villaments, Row Housing and Commercial Office spaces from Area Calculations, Freezable reports, Design Development, Co-ordination with Consultants , handing over ready to sell product to Marketing team.

Self - Employed

Interior Architect Designer

Completed designing a 3BHK flat with Veneer and White Polycoat theme, handed over Saloon Interior designs with 3D models and planning for different layouts for Residence.

CPG Consultants

Architect Intern

Reporting to Senior Architect, Designing Commercial Building for BIAL, Club House for a plotted development for Sattva Group, Interior Design for Globe IT Park – Phase 2.

Technoarchitecture.inc

Architect Intern

Reporting to Principal Architect, Designing and Detailing Luxury Villas for Politicians and Celebrities, 2 projects independently and helping other Junior Architects with 7 different projects.

Bangalore Development Authority

Land Surveyor

Documenting different areas in Bengaluru for Revised Master Plan – 2031.

Architecture Continuous

Summer Architect Intern

Involved in Conceptual designs of a Village Development Program in Chickamagaluru with the Principal Architect, also detailing out various plans for residences. Designed a Light Fixture for the firm with Bamboo sticks and Executing it with the help of a Intern.

BMS College of Engineering

Bachelor’s Degree – First Class Distinction with 8.24 CGPA

A Course of 5 years has improved my knowledge on understanding Design, Construction and Risk Management. Projects - Interior Design Hub- Thesis , 5star Hotel – Urban Design , Lakeside Rejuvenation Resort, Residential Housing Layout, Women Empowerment Centre, Cafe Design , Community Centre , 7cubic meter Functional Space, Concepts for Sky Scraper, Spiritual Centre and Interiors for Living Room.
