EXPERIENCE

Accenture Technologies, Application Development Senior Analyst
June 2019 - Present

Joined as a Application Development Analyst with APTTUS knowledgeable
resource and started working as a SALESFORCE CPQ developer in full
Agile Project for the Pharmaceutical Client named ALCON

➢ Onboarded few countries and many others into CPQ with Advance Approvals.
➢ Worked in many customization on Rebates calculator screen, Lease implementation screen in LWC and Aura respectively.
➢ Worked in customizing the CPQ for Japan country with Dealer calculations with Apex classes and AURA updates and Advance Approvals.
➢ Pricing Framework is very different and complex as we implemented customized CPQ on top of SALESFORCE CPQ.
➢ On-boarded and Implemented a new customized screen in LWC for ServiceMAX users who wanted to use CPQ in relation to installed products.
➢ Onboarded and Implemented a new customized screen in LWC for Customer service users who have wanted to have only CPQ for limited CS products without Quoting FLOW.
➢ Worked in many customisation on Advance Approvals, Apex, Email templates, Flow, Price Rules, Custom actions, Import Templates and Conga and X-author
➢ Worked as Support Team member in absence of L2 Support so have good interaction experience with Client to resolve their Incidents.

Tata Consultancy Services
December 2016 - May 2019

Joined as a fresher into Salesforce Junior resource and was into Thomson
Reuters Inc worked in APTTUS CPQ in full Agile Project.Thomson Reuters
is the world's leading source of intelligent information for businesses and
professionals.

➢ Developed an entire Product release on a AngularJs maintained CustomUI with Apttus APIs in Vf page and controller, with entire pricing related integrations, validations on purchase.
➢ Profiles and Permission sets and many more with Apttus configs like constraint rules, Approvals.
➢ Created a Lightning Vf page by using Lightning design Components(SLDS) with controller.
➢ Changes on Apex classes, Process builders, test class coverage and etc.

EDUCATION

Completed Engineering in Information Science from Sri Jagadguru Chandrashekaranatha Institute Of Technology in June 2016 with 79.91%.
