- **Senior Customer Service Associate – Amazon Development Centre (Sept'2013 – Jan'2014)**  
Worked as a Senior Customer Service Associate in Amazon Development Centre, Hyderabad, responsible for dealing North American customers' queries through live chat.

## **COMMUNITY SERVICE**

Lit by Humanity is a voluntary group of individuals who have come together to support the visually impaired students in India. I personally volunteer to record the text from academic books and study materials for visually impaired students who find it helpful to listen to the audio lessons and study. The volunteers may also personally assist students in their studies and can also volunteer to become a scribe for writing an exam for a visually impaired student.

**AWARDS AND RECOGNITIONS**

- Received various awards and appreciations for delivering exceptional value to the clients in both Deloitte and Infor.
- Received the 'Best Outgoing Student' award in the high school.
- Represented my school at District Level Science Exhibitions & Science Fairs and secured second position in the Science Fair at District Level.
