

Ajay Marathe
(**Front-end Developer**)

E-mail: 0107amar@gmail.com
Mobile: +91-8999286247

CAREER OBJECTIVE

"To apply the knowledge acquired through training in JAVASCRIPT & PHP, MYSQL to an entry level position on the Technical team of a major IT *companies*."

I'm a **Front-end Developer**. I am fond of learning new technologies and love to keep my knowledge of technology updated. My curiosity towards my surroundings helps me to be creative and innovative all time. I am a Sincere and dependable, self-driven, diligent and focused.

I am willing to be a part of a team where I can explore and learn more about. I'm a creative problem solver, self-motivated, and have a stubborn eye for detail. I believe that whatever we design and develop, we should keep end users in mind to create solutions which are convenient to use for them.
