PROFESSIONAL EXPERIENCE

GLOBAL INDIRECT COMMODITY SPECIALIST MKS Instruments | Boston, MA | 2019
Responsible for establishing a robust commodity management strategy that ensures cost savings goals are exceeded and suppliers can grow with MKS Instruments as we scale and increase global operations.

- Project Manager for global source to pay system implementation; Plan, schedule, and execute all stages of implementation; Assess business implications for each phase and monitor progress to meet deadlines, standards, and cost targets
- Target, and train strategic suppliers into lean supplier development program
- Integration lead for Amazon business to control tail-spend

STRATEGIC CONTRACT MANAGER Northeastern University | Boston, MA | 2016 – 2019
Managed over \$150MM in annual MRO, IT, and travel spend; Planned and led three business systems integrations including defining project scope and managing phased implementations; Organized and summarized complex information in Excel and PowerPoint to present to key internal stakeholders

- Lead sustainable and minority business sourcing efforts
- Achieved savings goal by 200% annually
- Negotiated terms and rates for University-wide contracts
- Conducted quarterly business meetings and supplier scorecard evaluations

PROGRAM COORDINATOR One Family, Inc. | Waltham, MA | 2015 – 2016
Worked with formerly homeless, single parents to combat the generational cycle of poverty with the promotion of pathways to economic independence through advocacy, education, and innovation

- Collaborated with local companies, community leaders, and government organizations to strengthen One Family's impact and better support beneficiaries

NONPROFIT CONSULTANT United States Peace Corps | Armenia | 2013 – 2015
Assessed and increased the organizational capacity for several NGOs by improving internal governance through staff trainings; Developed and implemented Peace Corps Armenia's public relations strategy; Facilitated two-day, bilingual project and design management training for new partner organizations

- Led three-week hike to teach healthy lifestyles lessons in ten village communities resulting in fifty-eight trained educators and 908 students taught
- Managed cost-effective budget with 38% community contribution for national poetry competition to strengthen English capabilities in 320 students from sixty-five communities while training 115 host-country educators and activists

VOLUNTEER EXPERIENCE

AMERICORPS; JUMPSTART Corps Member | Bridgewater, MA
Developed and facilitated weekly literacy lessons for twelve at-risk students designed to increase their reading proficiency to grade-level
