Summary:

Looking forward for a challenging career in Gaming Industry where I can positively contribute to the organization's growth, maintain Long-term association, and enhance my technical and interpersonal skills.

Professional Experience:

Game Producer | Gaming Junction (Jetsynthesys), Pune, Maharashtra | July 2023 - Present

- Led cross-functional teams through multiple successful game development cycles, ensuring adherence to timelines and budgets.
- Collaborated with designers, artists, programmers, and other stakeholders to define and refine game concepts, features, and mechanics.
- Managed project scope, priorities, and milestones, ensuring alignment with overall business objectives.
- Conducted regular team meetings to foster communication, address challenges, and optimize workflows.
- Implemented agile development methodologies, resulting in increased efficiency and faster response to market trends.

Associate Game Producer | Jetsynthesys, Pune, Maharashtra | August 2022 – June 2023

- Assisted in the planning and execution of game development projects, coordinating efforts across different departments.
- Monitored project timelines, identified potential risks, and implemented mitigation strategies to ensure on-time delivery.
- Facilitated communication between team members, fostering a collaborative and creative work environment.
- Conducted playtests and gathered player feedback to inform design decisions and enhance user experience.

QA Lead | Jetsynthesys, Pune, Maharashtra | November 2020 – July 2022

- Led a team of QA testers in the testing of multiple game projects, ensuring high-quality standards and adherence to project timelines.
- Created comprehensive test plans and test cases for various game features, including gameplay mechanics, graphics, audio, and multiplayer functionality.

- Conducted regular team training sessions to enhance testing skills, improve efficiency, and stay updated on industry trends.
- Collaborated with game designers, developers, and project managers to identify and address issues, ensuring a seamless and bug-free gaming experience.
- Provided detailed bug reports and feedback to the development team.
- Implemented processes to streamline testing procedures and increase overall efficiency.

Senior QA - QA Tester | Pune, Maharashtra

- **Jetsynthesys Pvt Ltd** [From Apr 2019 – Oct 2020],
 - **Reliance Games** [From Dec 2011 – Mar 2014] [Sept 2014 – Mar 2019],
 - **Lakshya Digital** [From Apr 2014 – Sept 2014]
- Executed test plans and test cases for various game projects, identifying and reporting bugs in a clear and concise manner.
 - Collaborated with QA team members and developers to reproduce and troubleshoot reported issues.
 - Participated in the design and execution of performance testing for multiplayer games.
 - Assisted in the creation and maintenance of test documentation, including test plans, test cases, and testing progress reports.
 - Provided mentorship to junior QA testers, aiding in their professional development.

Skills:

- **Project Management:** Proficient in using project management tools (e.g., Jira, Trello) to organize, plan, and track project progress.
- **Team Leadership:** Proven ability to lead and motivate cross-functional teams, fostering a positive and productive working environment.
- **Communication:** Strong interpersonal and communication skills, adept at conveying complex ideas to the team members.
- **Game Development Knowledge:** Solid understanding of the game development process, including design, programming, art, and QA.
