PROFESSIONAL SUMMARY

Highly Qualified Developer offering more than 10 years of progressive experience. Recently graduated from the Web Developer and Internet application course with great learning ability for different programming languages. I have a fast-logical reasoning, creativity and thirst for learning that have always helped me to overcome challenges as a software developer.

THECHNICAL SKILLS

HTML, CSS (Bootstrap), Javascript, JQuery, React, Node.js, Express.js, PHP, Ruby, ASP.NET, MySQL, MSSQL, Oracle, PostgreSQL, Adobe Photoshop, Adobe Illustrator, Linux, Windows, MVC

WORK HISTORY

Analyst Developer   *12/2005 to 06/2018*

Ecosoft Consultoria e Softwares Ambientais | ES – Brazil

www.ecosoft.com.br

- Built highly maintainable, solid code in Delphi for SIA - Environmental Information System that formed core framework and has won consistent praise from subsequent developers since initial version.
- Established system based in Geographical Information Systems
- Developed server-side services through MVC pattern, using JavaScript and Nodejs.
- Conducted project creating geospatial 3D mapping system (Cesium.js).
- Managed systems and infrastructures by defining hardware requirements and planning storage capacity for Oracle, SQL Server and PostgreSQL databases.
- Modeled database and relational database (Oracle, SQL Server and PostgreSQL)
- Used geospatial database (PostGis)
- Tested programs and databases to identify issues and make necessary modifications.
- Built, tested, and deployed scalable, highly available and modular software products.
- Trained staff in environmental management applications
- Addressed customer concerns and provided possible software improvements
