**Mobile:** +91- 9654039791

**E-mail:** poojabishtd701@gmail.com

## **PROFESSIONAL SUMMARY**

- Around 6years of experience in analysis, design, development and implementation of Java/J2EE projects.
- Experience in development of web and enterprise applications using J2EE technologies such as JSP, Servlets, Springs, Data Structures and algorithms, springboot, Hibernate, rest and JDBC.
- Experience in different phases of Software Development Life cycle (SDLC) including Design, Implementation and Testing during the development of software applications.
- Experience in working with Databases like Oracle ,MySQL and proficiency in writing SQL queries.
- Hands on experience in Core Java, Servlets, JSP, JDBC and Core Spring & Basic Hibernate ,Spring JDBC
- Experience in using of IntelliJ Idea, Eclipse tools for the development of java projects.

## **TECHNICAL SKILLS**

**Programming Languages:** Java , sql

**Java Technologies:** JDBC, Servlet, JSP

**Databases:** MySQL ,Oracle 11g,Postgre Sql

**Web Technologies:** HTML ,CSS , javaScript

**Web/Application Server:** Apache Tomcat.

**Operating Systems:** Windowsxp, 7/8/10

**Development IDE's:** Eclipse, IntelliJ Idea

**Framework:** Spring ,Spring Boot ,Spring Rest , jdbc template, Hibernate, Junit

**Tools:** Git, Jira, ALM, jenkins ,Udeploy,Docker

**Build Tool:** Maven , Gradle

**Cloud Technology:** Azure fundamental ,Azure storage

## **EMPLOYER**

- Currently working as Software Engineer with **Boeing India pvt Limited** Bangalore. **May 2021 to present**
- Worked as Program Analyst With **Wells Fargo Bangalore. May 2018 to May 2021.**
- Worked as junior software engineer, **Indegene Private Limited.** Bangalore **Feb 2017 to May 2018 .**

## **PROJECT DETAILS**

### **Project #1**

<b>Title</b>	<b>Emission Reporter</b>
<b>Team size</b>	4
<b>Tools</b>	Intellij Idea , my Sql ,Git ,Jira
<b>Technologies</b>	SpringBoot, Spring, Spring jdbc, sql, Spring Rest

### **Project Description**

Developed application for easy recording, monitoring, and reporting of carbon emissions in line with EU-ETS, SWISS, FRENCH, UK and CORSIA regulations. Implemented efficient organization of flight data and internal quality procedures, ensuring swift and accurate audits by verification companies. Simplified the process of aircraft operators' annual emissions reporting, streamlining the auditing procedure for improved efficiency.

### **Roles & Responsibilities**

- Developed and designed various reporting schemes
- Implemented back-end functionalities, optimizing user experience and data accuracy.

### **Project #2**

<b>Title</b>	<b>Common Weather Services</b>
<b>Team size</b>	5
<b>Tools</b>	Intellij Idea , Postgre Sql ,Git ,Jira ,PostGis
<b>Technologies</b>	SpringBoot, Spring, Hibernate, sql, Spring Rest , Tomcat 8

### **Project Description**

Common Weather Service is a common module for the various flight efficiency projects. This project provides the information regarding all types of weather conditions required for the flight and to optimize the fuel for the flight. So from various sources like insitu, HWS, BDT we get weather data that's the geographical data in Geojson format. There are various weather types for we used to get data like Nexrad, Turbulence, FORECAST\_TURBULENCE, WINDS\_TEMPS\_ALOFT, SIGMET, AIRMET, METAR.

### **Roles & Responsibilities**

- Worked as Developer.
- Development of various APIs to get various weather data in geoJson format
- Functional Documentation Specification Preparation.

### **Project #3**

<b>Title</b>	<b>ART</b>
<b>Team size</b>	7
<b>Tools</b>	Eclipse,Oracle,Git,Jira
<b>Technologies</b>	Spring, Hibernate, sql , JS, Tomcat 8

#### **Project Description**

Asset Rating Tool provide a universal means of assigning and recording a borrower Quality Rating and Collateral Quality Rating , which together are used to drive an overall Assets Quality Rating.

This project is used for determine the rating for the borrower for their asset and their guarantor.

#### **Roles & Responsibilities**

- Worked asDeveloper.
- Development of application screens.
- Functional Documentation Specification Preparation.
- Unit testing and Bug fixing

### **Project #4**

#### **Title : Ge\_digital Project Description:**

**Client- GE**

Ge \_Digital is a learning management system for healthcare professionals, which enables to achieve the latest news, webinars, journals, eBook about the medicine, diseases, prevention techniques etc by aligning the right info and resources to strategic.

**Environment:** core Java, jsp , java Script, html, css, Tomcat 7

**Tools:** Eclipse, Sublime

**Responsibilities:**

- Involved in developing full project development.
- Writing UI/Business validations for the owned use cases.
- functional testing and bug fixing.

### **Project #5**

**Client-**  
**Takeda**

**Title : GastroAcademy ( [www.gastroacademyonline.com](http://www.gastroacademyonline.com) )**

#### **Project Description:**

Gastro Academy is a learning management system for healthcare professionals , which enables to achieve the latest news, webinars , journals , eBook about the medicine, diseases, prevention techniques etc by aligning the right info and resources to strategic.

**Environment:** core Java, jsp , java Script, html, css, jquery, Tomcat 8

**Tools:** Eclipse, Sublime

**Responsibilities:**

- Involved in developing full project development.
- Unit testing and Bug fixing.

**Project #6****Client- Abbott**

**Title :** MasterMiind  
API

**Environment:** spring, rest webservices , javaScript, html, css, Tomcat8

**Tools:** Eclipse, Sublime

**Responsibilities:**

- Involved in developing services using spring rest.

***QUALIFICATION***

- Bachelor of Technology in Electronics and Communication from Uttarakhand Technical University, Dehradun, Uttarakhand in the year 2014 with an aggregate of 80%.

***PERSONAL SUMMARY***

<b>Date of Birth:</b>	Jan 16, 1993.
<b>Marital Status:</b>	Married
<b>Passport:</b>	Yes Language
<b>known:</b>	English, Hindi
<b>Address:</b>	Marathahalli Bangalore

***DECLARATION***

I hereby declare that the above mentioned details are true to best of my knowledge.

**Place:** Bangalore

**Date:**

(Pooja Bisht)
