

**Name** : Satyapriya Mishra  
**Mobile Num** : 91-8341237453 // 91-6371494974  
**Email id** : [satyapriyamishra14@gmail.com](mailto:satyapriyamishra14@gmail.com)

### **Carrier Objective:**

My interests, broadly, lie in the field of Information and Technology. I believe, I have developed appreciable experimental and theoretical skills in various fields of Information and Technology with an exceptionally good computational expertise. With these strengths, I wish to pursue an exciting and challenging career in this. I have pursued every opportunity to participate in various projects in this field. I want to explore these exciting interdisciplinary fields even further, because I believe it is a field unique in its ability to encompass and demand contribution from several aspects of science. I have been successful in maintaining a healthy score at the academic front. I am self-motivated, committed and determined in achieving my goals.

### **Basic Academic Credentials:**

- **B.Tech** from ELECTRONICS & TELECOMMUNICATIONS,  
S.I.E.T , B.P.U.T,ODISHA,CGPA 7.3 in the year  
2018.
- **10+2 (Science)** from CHSE, Orissa in the year 2014
- **HSC** from BSE, Odisha in the year 2012.

### **Technical Skills :**

- **Java, SQL (Programming)**
- **Microsoft [ Excel, Word, Power-point ]**

### **PROJECTS:**

#### **Project-1 :**

Organisation : ABC For Technology Hyderabad  
Project Title : Computerised Fee Management System  
Duration : (10th JAN-25th JAN) 2020

### **PROJECT DESCRIPTION:**

The project involved development of a software application that tracks the student fee details mainly used at institution and organisations. By using this system it provides better convenience to management. It not only provides fee details it also generates daily, weekly, monthly, annual reports to the management.

**P.T.O.**

## **Project-2 :**

Organisation : ABC For Technology Hyderabad  
Project Title : Hospital Management System  
Duration : (12 FEB-2 MAR) 2020

## **PROJECT DESCRIPTION:**

Hospital management system is a process of implementing all the activities of the hospital in a computerised automated way to fasten the performance. This includes doctors, staffs, patients and specialists including salary appointments and billing information. This project provides excellent security of data at the entry level of user-system interaction.

## **Seminar And Workshops:**

- Presented a Paper in the National Seminar on "RECENT TRENDS IN ANTENNA DESIGN".
- Seminar given on "OPTICAL COMPUTER".
- Participated in National Seminar on "Innovative Trends in Microwave & Wireless Communication".

## **Skills & Ability:**

- Good communication skill
- Always ready to learn new things.
- Good time management skill.

## **Extracurricular Activities:**

- Listening & Singing Music
- Internet Surfing

## **Personal Details:**
