

BRIEF OVERVIEW / CAREER OBJECTIVE / SUMMARY

I am a B.Tech final year student interested in machine learning and software development who wants to pursue his career in the same.

KEY EXPERTISE / SKILLS

C C++ Data Structures Python Libraries Python Machine Learning

EDUCATION

LNMIIT Institute of Information Technology

2017 - 2021

B.Tech. - CCE | CGPA: 6.98 / 10.00

Hellens Public School, Sitamarhi

2016

12th | CBSE | Percentage: 84.20 / 100.00

N.S.D.A.V. Public School, Sitamarhi

2014

10th | CBSE | Percentage: 95.00 / 100.00

AWARDS AND SCHOLARSHIPS

- Get awarded Merit Scholarship(2014) by the district regional newspaper for scoring 10 CGPA in my 10th std.
- Got Samsung smart phone as a Scholarship Reward for securing 4th rank in Merit scholarship program by state level JEE coaching institute.

PROJECTS

RGB Colour Game

June 21, 2020 - July 26, 2020

Team Size: 1

Key Skills: HTML5 CSS Javascript Bootstrap DOM

A simple interactive and responsive colour guessing game which is built using HTML,CSS ,Bootstrap framework and Javascript.

Success prediction for bank telemarketing calls.

Oct. 25, 2019 - Nov. 20, 2019

Team Size: 1

Key Skills: Machine Learning Python libraries Data Analysis Data Visualization

In this project,we performed data analysis and data visualization to get inference about the dataset and then applied ML models for the success prediction.

Air Quality Index Prediction

Jan. 6, 2020

Mentor: Vikas Bajpai | Team Size: 4

Key Skills: Machine Learning Python libraries Web Development Deep Learning Data Processing Web Scraping Keras

This is my B.Tech project and still in progress,we have to predict the value of air quality index using deep learning models and have to select the model with the best result of prediction.

ACHIEVEMENTS

- Secured a position in the top 2.5% among 12 lacs appearing candidates in Joint Entrance Examination(Mains) 2017 and then achieved a rank in the top 8% in the next stage of Joint Entrance Examination (Advanced)2017.

EXTRA CURRICULAR ACTIVITIES

- Ex-Member of Technical Club(Phenoix) of my college.
- Event Head and organiser of technical event(Transporter) for the Tech-Fest of my college in 2019.
