Associate Consultant at ATOS|SYNTEL

Above 2 years of experience in Software developer working across multiple technologies have helped me to stay abreast of new developments within the industry. Versatility in quickly adapting to new coding conventions is combined with a 'can-do' attitude. This means I am happy working independently or in a close team environment and apply a positive attitude to every project.

Certifications

- I have Salesforce Admin certification

- Completed Business Administration Specialist, Process Automation Specialist, Security Specialist, Lightning Experience Report & Dashboards Specialist Superbadges.

- I have completed course on Salesforce from Radical Technology, Pune And I hold internship and Course completion certification

Professional Rewards / Appreciations

Awarded as 'Best New Comer' by Atos|Syntel for excellent performance in first quarter of joining the firm.
