## Summary

*A person who believes in execution. A self-motivated guy who is bound only by his discipline. What I hold most precious in my life is what the society gave me to nurture myself to be a better human. It is my duty to add value to the lives of people who are around me and I am always up for this.*

## Educational Qualification

Examination	College/Institute	Board University	Year of Passing	Marks In (%)
B.Tech.	NIET, Greater Noida	AKTU, Lucknow (UP)	2020	76.15 (till 2 <sup>nd</sup> year)

## Employment

### ❖ The Hustler Team

*Curator*

June 2018 – Present

Building a community of successful entrepreneurs and investors. Working towards the betterment of startup ecosystem. Giving back to the society by organizing events, meetups and pitching sessions. As a curator my job is to:

1. Create equal opportunities for the startups and investors
2. Bridge the gap between them by creating platforms to showcase their work.

### ❖ Aeava Home Automation Solution

*Business Developer*

August 2018 – September 2018

Aeava is an IOT based home automation company. Setup by IIT Roorkee Alumni, as a business developer my roles are:

1. Generate new leads with the aim of creating more sales.
2. Scheduling appointments, preparing and delivering the presentation to the client.
3. Work on sales follow-up activities.
4. Customer relationship management.
5. Making strategies to achieve target.

### ❖ Nojoto Student Entrepreneur

*Program Head*

Jan 2018 – April 2018

Joined this Media Startup in September 2017 as the campus ambassador. Gained a lot of learnings and experiences, major things I learned here are planning, documentation, and methods of execution. My role is:

1. Managing a team of 40 students who are from different colleges across India. Involving them in company's growth. Also helping them to sharpen their entrepreneurship skill.
2. Building community through collaboration, the partnership with Colleges, NGO, and other non-competing organizations.
3. Involve in different cross-promotional marketing activities.

❖ **Rentezee**

*Sales and Marketing Intern*

Dec 2017 – April 2018

Joined this Marketplace based startup in December 2017. Experienced an amazing learning here.

1. Learned the marketing and sales hack.
2. Researched on the parallel platform, studied their business and revenue model.
3. Helping to make the strategy for the company.
4. Learned the way of writing the user story for App.

❖ **Nojoto**

*Student Partner*

Sep 2017 – Nov 2017

It was the start of the industrial experience.

1. Learned Digital Marketing.
2. Strategy designing for the products.
3. Hosted a successful open mic with more than 40 footfalls in 91 Springboard Noida.
