INTERNSHIP

AEAB PVT LTD. (SIEMENS) Noida (9th June, 2017- 8th Sept. 2017)

It was detailed training on various Siemens equipments and software's for manufacturing line installation. Under this training I went through Siemens Programmable controller 200 & 300 programming and connections.

Nice Software Solutions, Nagpur (6th June, 2016 – 7th July, 2016)

Objective of the training was to manage data sources and converted them into highly interactive visualization using tableau software.

JSW Steel Coated Products LTD. , Nagpur (22nd May, 2015 – 5th June, 2015)

This training was intended to get knowledge of annealing galvanizing process of steel sheets. Being there I could see practical use of various electrical and electronics instruments like PLC, different transformers used for different applications and sensors.
