WORK EXPERIENCE

Java Developer Intern Bitmap Technology

 08/2019 – 03/2020  PUNE, INDIA

- As an intern, gained hands-on experience in software development life cycle, agile methodologies and industry operations.
- Engaged in comprehensive application development, utilizing some of the top technologies such as Java, Android and Database Programming using MySQL.
- Worked on a Vehicle Crash Alert System project which mainly addressed the need for a more prompt vehicular accident notification to the victim's emergency contacts, nearest police station and hospitals.

PROJECTS

Vehicular Crash Alert System -

- Developed a Vehicle Crash Alert System project which heavily addressed the need for a more prompt vehicular accident notification to the victim's emergency contacts, nearest police station and hospitals and send the current location of the vehicle without any human assistance.
- A device was developed using Arduino micro-controller, pressure sensors and Bluetooth module.
- An Android application called 'Vehicle Monitoring' was developed using Java on Android Studio.
- The Android application in the mobile phone will send text message to the nearest medical center and friends. Application also shares the exact location of the accident that can save the time.

Weekend Planner Application -

- Developed an Android Application for planning a weekend getaway for a group of people.
- Java was used for developing the android application on android studio.
- The app gathers the details of the individuals who are available for the vacation, allows them to set a location for the getaway and sends a notification mail to all the people.

EXTRA-CURRICULARS ACTIVITIES

Football Coach

First Touch Football Academy

 **PUNE, INDIA**

Provided intensive football training to students aged 3-18 years. As a passionate football player, I have constantly looked for opportunities to serve the sports community. Under my coaching, I have prepared the students for various school and club level tournaments.

Event Organiser

Rotary Club of India

 **PUNE, INDIA**

As an active member of the Rotary Club, volunteered and organised several events serving noble social causes such as blood donation camps, notebook distribution, stray rescue camps, blind orchestra, distribution and set up of water pots for birds and animals during summer, feeding the stray animals, and various tree plantation drives across Pune.

Event Co-ordinator

Sinhgad Institutes

 **PUNE, INDIA**

Co-organised multiple technical and non-technical events for one of Pune's biggest college fest - Sinhgad Karandak and TechTonic. The event witnesses an annual footfall of over five lakhs students. As a coordinator, sought sponsorship, managed event schedules and advertised for increased participation.

Volunteer

PetYo - Pune Pet Festival

 **PUNE, INDIA**

Volunteered at a Pune's largest carnival pet show and dog adoption camp - PetYo. With over 100 dogs and over a dozen cats participating in a number of events including, treasure hunt, ramp walk and adoption counselling among others, the event had over 300 pet-lovers coming together on the weekend.
