@ pateltanmay29@yahoo.co.in

Ahmadabad, Gujarat, India

SUMMARY

Tanmay is working as a **Business Analyst** predominantly in the enterprise web and mobile technologies with more than **70+ months** of experience in the **IT industry**. He strongly believes in experiencing new and played a Techno-Functional role in a wide variety of projects. He has painted his self as a **Think out of Box**.

Being a BA, he has a unique combination of skill sets where he can efficiently trade-off **business** and **technology** both as a single hand. Once he believes in an idea or project, he doesn't give up until he explored all the options. He endured many failures during his entire journey and deem, **Learning** is a lifelong process - **Curiosity** is the key to success. He worked on a wide variety of domains includes health care (US and India), eCommerce, leisure, and finance.

He always anticipates new challenges that help to maintain customer satisfaction and productivity metrics above the target. He believes in **honesty**, **loyalty**, and **ethics**, which makes him a better him.
