PERSONAL PROFILE

Curious software engineer with 7+ years of experience in creating innovative software solutions to enhance business productivity. A passionate coder, now exploring the data science world.

AREAS OF EXPERTISE

- Web Application Design and Development
- System Design
- Database Design
- Aggregation Framework Design
- Scrum and agile methodologies
- Microservices
- Migration

TECHNICAL SKILLS

Python, Javascript, Nodejs, Reactjs, Golang, Spark, K8s, OpenShift, Dask, MongoDB, Sql, PL/SQL

PERSONAL PROJECTS

- API performance monitoring tool.
- Big Data Querying engine(Ongoing).

WORK EXPERIENCE

BACKEND DEVELOPER

IBM ISL | 2019 – Present

- Involved in microservices design and development.
- One of the key developers who built the product from scratch and been instrumental in taking them to production(GA) and scale them.
- Wrote multiple migrations to transition customer into multi-tenant cloud architecture.
- Owns multiple product components (Data streamers, migrations, Cloud Adaptors).
- Utilised application development skills to develop product features to boost business efficiency.

IMPLEMENTATION LEAD

Ramyam Intelligence Lab | 2017 – 2019

- Responsible for the end-to-end POC and project deliveries by cordial interactions with the implementation and product team.
- Successfully delivered the Employee Engagement Solution holding complex analytical Dashboards and Timeline components within a short span of 10 months.
- Exposed spontaneously to the big data technologies like Apache Spark, Hadoop HDFS, NoSQL DBs (MongoDB), Drill, In-Memory DBs, Python and R Driven Sentiment & Intent Analytics and data modelling.
- Improvised the CUBE analytics-based BI Module of the Product.

SENIOR ANALYST

CAPGEMINI | 2014–2017

- Worked as an oracle apps developer
- Successfully managed L1 production support work with no escalations.
- Got two promotions in a year and was marked outstanding contributor towards the project.

EDUCATION HISTORY

ANNA UNIVERSITY

Bachelor of Engineering, Electronics and Communication 2014
