

# Mohammed Shahid SJ

VFX Artist & Motion Design

## ABOUT ME

A self-motivated and passionately proficient 25 years old with 3 years of professional and 3 years of freelance experience in video editing, Matte Compositing and motion design. Strongly believe in the ability to admire and capture the beauty and perception of the mother nature along with exploring unfathomed areas in society. Looking forward to a platform for giving a new perspective to the world through digital stages of experiences.
