CARRIER OBJECTIVE

Experienced professional in Identity Access Management seeking a challenging role to leverage my skills and expertise in designing and implementing IAM solutions. Committed to enhancing security frameworks and ensuring efficient access control for organizations.

PROFESSIONAL EXPERIENCE

Employer Name: TCS (Tata Consultancy Services)

May 2022- Present

Designation: Business Process Lead

Job Role & Responsibilities:

- Proficient in leading IAM platforms including Microsoft Azure Active Directory, AWS IAM, Saviynt, OIM, CA PAM, and CyberArk.
- Hands-on experience with a diverse range of web-based tools such as Salesforce, Webex, Ariba, DocuSign, ServiceNow, Omada, CA PAM, RSA Archer, and Workday.
- Handled incident tickets related to password resets and ACAT (Access Control and Termination) breaks due to segregation of duties for cloud-based applications.
- Managed provisioning and deprovisioning access.
- Continuous learning and upskilling through LinkedIn and Udemy courses, focusing on cutting-edge IAM and cloud security technologies like Okta, AWS, Microsoft Azure, Google Cloud, CyberArk and more.

Employer Name: LanceSoft

March 2021- May 2022

Designation: Execution Senior Analyst, client side- Infosys

Job Role & Responsibilities:

- Proficient in managing P2P and MM in SAP for effective analysis and resolution of customer queries.
- Experienced in Saviynt for streamlined Provisioning, Deprovisioning, and adherence to SOD policies.
- Skilled in handling LDAP-based applications and ensuring secure web-based access control.
- Competent in Active Directory management and implementation of Single Sign-On solutions.
- Familiar with SAML and OAuth protocols for secure authentication and authorization.
- Adept at utilizing ServiceNow for efficient Incident Ticket Management.
- Capable of leveraging Power BI for daily data productivity and in-depth analysis

Employer Name: VLax Tech

January 2020- January 2021

Designation: Senior Support Executive

Job Role & Responsibilities:

- Managed user onboarding and off-boarding seamlessly using Saviynt, ensuring efficient approval and termination of access requests.
- Implemented automated workflows in Saviynt to streamline user access approval processes, reducing manual effort and enhancing operational efficiency.
- Maintained compliance and security standards by leveraging Saviynt's access control capabilities to manage user access throughout their lifecycle, from onboarding to off-boarding.

Employer Name: Wipro Limited

August 2017- December 2019

Designation: Senior Associate

Job Role & Responsibilities:

- As a User Access Management specialist, I leverage CA PAM for rotating and verifying passwords, ensuring secure logins to applications for shared account user IDs.
- Proficient in ServiceNow, My Access, LDAP, Archer, MFA, and various application services.

- Expertise includes implementing Single Sign-On (SSO) and Active Directory (AD) for seamless access.
- With a focus on robust user access solutions, my skills span password management with CA PAM, LDAP integration, and comprehensive services such as Archer and MFA, contributing to a secure and efficient IT environment.

Skills and certifications:

- Identity and Access Management (IAM)
- Privileged Access Management (PAM)
- Cloud Security
- Expertise in ServiceNow, Microsoft Azure, AWS, and Google Cloud platforms
- Proficient in IAM tools such as Microsoft Azure Active Directory, AWS IAM, Saviynt, OIM, CA PAM

- Earned certificates through LinkedIn and Udemy in: Cloud Governance Concepts: Tools and Requirements and Cloud Security and Audit Fundamentals: AWS, Microsoft Azure, and Google Cloud

Achievements:

- Senior Management appreciated for the best performance to deliver the company products and services within a timeframe to the client.

EDUCATION AND CERTIFICATE COURSE

- Bachelor of Science in Computer Science pursued from Savitribai Phule Pune University in 2017, Pune, Maharashtra.
- Spoken English certificate pursued from English Language Training Institute of Symbiosis(ELTIS) in 2016, Pune, Maharashtra.
- HSC in Science pursued from Maharashtra State Board in 2012, Pune, Maharashtra.
- SSC pursued from Maharashtra State Board in 2010, Pune, Maharashtra.
