

# Audrey Tamo

Marketing Analyst

## Profile

I am looking for a first full-time job where I can apply my managerial and analytical skills, preferably in the field of marketing or logistics. Meticulous, with excellent multi-tasking skills and a high resistance to stress, I always share my optimism and good mood.

## Education

### Master in Business Analysis, University of Namur, Namur

September 2018 — August 2020

Specialization in Marketing and Services Management

### Bachelor in Supply Chain Management, Catholic University of Douala

September 2014 — July 2017

## DXC TECHNOLOGY CERTIFICATION

DXC Digital Talent Masterclass

## Internships

### Data Analyst at UCB Pharmaceuticals, Braine-l'Alleud, Belgium

February 2020 — May 2020

- Efficient interaction and close collaboration with the different teams of the Supply department with the aim of collecting KPIs data
- Applying knowledge of data modelling and statistical analysis to calculate KPIs based on collected data
- Contribution to the construction of a KPI dashboard representing the KPIs of all the teams in the department, using the Business Intelligence tool Qlik Sense
- Drafting of monthly reports on KPIs in order to justify variations to the Management

### Junior Supply Manager at ENEO SA

October 2017 — February 2018

- Supervision of the day-to-day operations of several accounts payable, for a high budget
- Supervision of numerous supplier databases to track the entire team inventory.
- Worked directly with certain suppliers to ensure their compliance with the company's quality standards.
- Supported the Deputy Chief Operating Officer in day-to-day operational decisions.
