Qualification

- Bachelor of engineering (Computer science)

Achievements

- Received Project Star award for the H2 2019.
- Received Rising star award for the year 2018.

Languages

- **English** – Proficient
- **Tamil** – Proficient
- **Telugu**–Intermediate

Summary

- Associate consultant specializing in report development. Experienced in Dashboard development for use in analyzing and predicting channel, region, and site-level performance. Extensive experience in the development of management reporting and performance analysis techniques.
- Experience in Development and Coding of ETL processes by using Informatica Power Center. Experience in creation of ETL Mappings to extract data from multiple sources like Oracle, Flat files into target tables using transformations like Expression, Router, Lookup, Source Qualifier, Aggregator, and Joiner. Designed, developed and organized Informatica mappings, sessions and workflows.

Skill Highlights

- Analytical Skills
- Strong decision maker
- Tableau Desktop
- Creative design
- Informatica Power center (ETL Tool)
- Appworx

Experience (3.5 Years)

Tableau Developer - 03/2019 to Present Capgemini, Bangalore

- 2+ years of experience as Tableau Desktop developer including dashboard creation, report authoring and troubleshooting, data source management.
- Gathered user requirements, analyzed and designed software solution based on the requirements.
