Career objective

Exceptionally creative and resourceful Electrical Engineer with a stellar record of Safety and customer service. Able to handle multiple projects simultaneously with high professionalism and accuracy. Adept at short- and long-term electrical system troubleshooting.

Personal details

- Name:- Md Faizaan Alam
- Date of Birth:- 23-05-2002
- Father Name:- Md Mahmood Alam
- Address for correspondence and permanent:-
Moghalpura Sui Ki Masjid, Patna City-800008
- State:- Bihar
- District:- Patna
- Marital Status:- Unmarried

Academic Qualifications

- I passed 10th from School Of Creative Learning, Patna (Bihar) with 7.6 CGPA from CBSE in 2017.
- Recently completing Diploma in Electrical Engineering from Lovely Professional University, Punjab in the year July 2020 with 8.17 CGPA.

Technical Qualification

- Diploma in Electrical Engineering from Lovely Professional University, PUNJAB in the year 2020.

Membership

- Member of Polygot Group & an active participant in it.
- Member of Drug Free Campaign in Lovely Professional University.

Technical Experience

- Wide breadth of electrical distribution system experience.
- Strong grasp of electrical engineering techniques and principles.
- Excellent operational knowledge of system design and implementation
- Superior proficiency in AC/DC motor drives , generator and programmable logic controls (PLC).
- Outstanding abilities with Microsoft Office, Excel, PLC, Arduino programming and C++.
- Good knowledge of high voltage cabling and lighting systems
- Sound skills in preliminary electrical design and contract drafting
- High abilities in developing and evaluating complex engineering projects
- Also having good knowledge and experience about automation system which make's me able to be work as Automation Engineer in an organization for saving energy, where my experience as Automation Engineer and my vast exposure to the same will be helpful in providing quality service to the company.

Extracurricular Activities

- Participating in many science exhibition with my own projects.
- Participating in Machauto Expo 2020 which is held in Ludhiana from 21th to 24th February 2020.
- I have planned so many event in my high school and also getting award forthat.

Work Experience

- I have experienced as Associate Engineer in **ECO ENERGY INSIGHTS Pvt. Ltd.** through **TEAMLEASE Pvt. Ltd.** In Bangalore from 4th March 2021 to 03rd July 2022.

Role & Responsibility

- Working as Field Associate Engineer for providing best service's in Automation system.
- Performed detailed inspections of automated machinery, which is implemented for saving energy, and analyzed the performance and quality of the existing equipments.
- Performing maintenance and installation of WIPRO automation system.
- Communicate with clients to determine needs and explain complex issues.
- Conduct research and studies on site.
- Manage field activities and implement engineering designs.
- Resolve malfunctions or other crises when they arise.
- Install new systems and technology to the new site.
- Ensure proper maintenance of onsite equipment, and make the report of that site and send it to Eco Energy.

Hobbies and Interests

- Reading, playing computer games in free time.
- Learning about new technology and gadget's.
- Learning about computer languages like C, C++, Arduino programming, PLC etc.

Thanking You!
Md Faizaan Alam
