

RESUME

Name:- Yuvraj Murlidhar Dhande

Email ID:- yuvrajdhande1999@gmail.com

Mob No:- 9834644513,9545667154

Career objective :-

To obtain an entry-level position as a computer engineering, allowing me to utilize my education and industrial training experience while gaining valuable work experience in a team-oriented environment. I foresee myself to be part of top-notch team of professional with sincerity, creativity and dedication.

Educational Qualification:-

Qualification	Institute	Year of Passing	University/Board	Percentage
BE(Computer Engineering)	JSPM's Jaywantrao Sawant College of Engineering, Pune	2020	SPPU (Savitribai Phule Pune University)	65%
Diploma	Government Polytechnic Khamgaon, Buldhana	2017	MSBTE	68.50%
SSC	Maharana Pratap Vidyalaya, Bhusawal ,Jalgaon	2014	Nasik	78.20%

PROJECTS Undertaken :-

Project 1:-Android App Development

Title:-Android app development for learning basic programming language.

Duration:-April 2017

Abstract:-The app is developed for learning of basic programming languages like C,CPP, Java and we include some information about networking in one module of this app. There are description about languages like loops ,decision making statements, arrays, structure etc. This is diploma level project successfully completed by us.

Project 2:- Mystery Dustbin using Internet of Things (IoT).

Title:- Mystery Dustbin using Internet of Things and segregate waste in form of dry , wet and in plastic form.

Duration:- April 2020

Abstract:- Nowadays, population is increasing rapidly, by which many countries are facing huge problem of waste management . The garbage is thrown on the roads and is spread all over the areas which causes the problems like bad odors, to overcome this problems, We are implementing the intelligent Mystery Dustbin to collect waste, in which we are adding some sensors like weight sensor, Capacitive sensors to detect polymer (plastic), Moisture sensor and separate it as a wet garbage and ultrasonic sensor which is used to check the garbage level filled in the dustbin and sends the alert to Municipal Corporation.

Software:-

- Programming Languages Known: - C, C++, Java.
- Software's: -Turbo C, C++, Eclipse, Visual Basic, NetBeans.

Skills:-

- Managing events.
- Planning and organizing.
- Good communication skills with linguistic proficiency of English (speak, write & read), Hindi (speak, write & read).
- Ability to deal with unexpected happenings patiently.
- Sound sense of humor.
- Being able to get along with any kind of people from any part of the country.

Hobbies and interested sides for work: -

- Interested in Hardware and Networking. And Work with Different Operating Systems.
- Playing Kabaddi and Cricket
- Implementation of small hardware devices
- Reading Books

Personal information: -

Date of birth	: 03may 1999
Marital status	: Unmarried
Nationality	: Indian
Gender	: Male
Languages known	: English, Hindi & Marathi
Address	: Plot No-02,Shrere Hari Nagar,WanjolaRoad,Bhusawal Tal- Bhusawal.,Dist – Jalgaon, Pin-425201

Declaration :-

I Hereby declare that all the information furnished above is correct to the best of my knowledge.
