## Summary

Seeking for a platform where I can utilize my skills and knowledge to serve my employer through the best way from my side. Well, I believe I can be a perfect learner through all my life as enthusiastic emotions towards Video Making and Journalism will never be pulverized. Aiming to leverage strong proficiency in Animation and VFX to add value to my vision for career goals.

## Work experience

Video Editor Intern 2020 06 - 2020 08

Demux Academy - Bangalore

I used to produce videos for brand marketing. It is a Bangalore based E-learning company, and I had to produce several videos for their students as well.

Editorial Intern 2020 03 - 2020 04

India Today - Bangalore

On my internship at India Today, I used to produce news articles for their online web pages. Assisted in coverage of several news conferences and monitoring breaking news including key political developments. I also learned technical aspects of videography.

Editorial Intern 2020 02 - 2020 03

Republic TV - Bangalore

On my internship at Republic TV, I used to produce news articles for their online web pages. Assisted in coverage of several news conferences and monitoring breaking news including key political developments. I also learned technical aspects of videography.

Content Writer 2017-03 - 2017-08

Royal Research - Kolkata

Content Writer Utilized exceptional writing, editing and proofreading skills to produce engaging and error free content. Our company used to work on many assignments that students used to provide and we used to revert them by completing within a specific deadline.

## Education

Post-Graduate Diploma in Journalism 2019 04 - 2020 05

National School of Journalism - Bangalore

This course was an 11 months intense regular schedule where I learned Broadcast and Print Journalism. I learned story telling, reporting, anchoring, photography, cinematography, camera handling, video editing, producing news and feature videos. Also there I produced many articles, web-pages and edited news paper pages for their in-house usage.

Bachelor of Arts 2013 05 - 2017 10

University of Calcutta - Kolkata

Here I studied a bit of detail on English Literature, History and Bengali. All three subjects were major subjects.

Associate of Science 2011 02 - 2013 03
