## SUMMARY

Seasoned developer with over 6.5 years of experience in the design, development, and maintenance of Oracle Integration Cloud (OIC) and Oracle SOA/OSB-based services.

Oracle Cloud Platform Application Integration Certified Specialist 2022, 2020.

## EXPERIENCE

Associate 07/2021

Cognizant Current

Designed and implemented integration solutions using Oracle Integration products.

- Worked on integrating various cloud and on-premises platforms/applications, such as Salesforce, HCM Cloud, Oracle EBS, Oracle ERP/Fusion Apps and UPS, among others.
- Familiarity with Fusion Apps data import/export process using FBDI, HDL, BI Reports etc.
- Built and supported various REST APIs and SOAP web services that fulfilled specific integration needs while adhering to design standards.
- Created basic web pages/forms using VBCS.
- Developed integration solutions which were part of business processes like invoicing, shipment, procurement EDI, DWBI, ETL and order processing.
- Conducted requirements analysis and effort estimation.
- Collaborated with users, functional and technical teams to implement a robust application lifecycle process.
- Migrated various processes from on-premises integration products to the cloud

Technology Analyst/Sr. Systems Engineer/Systems Engineer 10/2017 - 07/2021

Infosys Ltd. Pune

Implemented integration solutions using Oracle SOA Suite and Oracle Integration Cloud products.

- Worked on integrating various cloud and on-prem platforms/applications like Salesforce, Oracle EBS etc.
- Built and supported the orchestration for integration between ERP and Manufacturing Execution System (MES) and various APIs for data visualizations.
- Automated the creation of composite configuration plans based on environments for deployment.
- Handled all the phases of project delivery like documentation for requirements, technical specifications, design and architecture, UTP's, Deployments etc

## EDUCATION

Bachelor of Engineering (B.E.) in Electronics and Telecommunication 2013 - 2017

Sinhgad College of Engineering, Savitribai Phule University of Pune Pune

## STRENGTHS

### ★ Problem Solving

Implemented innovative solutions to overcome compatibility issues

### 🕒 Time management

Handled multiple projects simultaneously with excellent delivery

### 🔧 Adaptability

Open to learning new tools and flexible in response to changing requirements or priorities

### 🔍 Problem Sensitivity

Identified problems that weren't immediately apparent during the design phase

## CERTIFICATIONS

### 📄 Certified Professional in OIC

Oracle Cloud Platform Application Integration Certified Specialist 2022, 2020

## SKILLS

Oracle Integration Cloud (OIC) ·

Visual Builder Cloud Service (VBCS) ·

Process Cloud Service (PCS) ·

BI Publisher

XML · JSON · XSLT · Xquery

Postman · SOAP UI · JMeter ·

JDeveloper
