

Aniket D. Ninawe

Address: PN 7-b, Adarsh Nagar,
Umred Road, Nagpur-09.

Email: aniket.ninawe19@gmail.com

Contact: [+91-8055009414](tel:+91-8055009414)

Profile Summary:

3+ years of working experience in Software Development with expertise in Migration, API Development, Cloud Computing and DevOps technologies

Technical Skills:

DevOps Technologies	Docker, Kubernetes, Jenkins, GitLab-Ci, Ansible, Terraform	★★★
Logging & Monitoring	Grafana, Prometheus, Splunk	★★
Clouds	AWS, Alibaba	★★
Cloud Services	EC2, S3, RDS, SLB, VPC, WAF, Cloud Watch	★★★
Scripting	Python, PowerShell	★★★★
Database	PostgreSQL, MySQL	★★
Linux OS	CentOS, Ubuntu	★★★
SCM	Git, GitLab	★★★
Project Mgmt	Jira, Confluence	★★
Other	API, SDK, CLI, Postman	★★★

Work Experience:

- Currently working at GlobalLogic, SEZ-Mihan, Nagpur
Designation: Software Engineer
Technology: Python, DevOps
Duration: Mar 2020 to **Present**
- Worked at Click2Cloud Software Solutions, IT Park, Nagpur
Designation: Software Design Engineer – I
Technology: Python, Django
Duration: July 2018 to Feb 2020
- Worked at GR Solution, IT Park, Nagpur
Designation: Software Developer Intern
Technology: .Net C#
Duration: Jan 2018 to June 2018

Certifications:

- Alibaba Cloud Professional (ACP) Cloud Computing Global Certification. **Issuing Authority:** Alibaba Cloud Company
Issue Date: 18 Feb 2019
- Advance Technology in Software Development (ATSD)
Issuing Authority: Government Polytechnic, Nagpur
Issue Date: 30 Oct 2012

Project Details:

Virtual Operation Controller (Off-Site)

Description:

I am currently working in this project as **DevOps Engineer**. This is a micro-service architecture based project. Where we are using clients On-Premise infrastructure to deploy our application. This is a US-based Telecom Company project where this application help to monitor and control the migration of customer's specific data to target Telecom provider.

Key Responsibilities:

- Onboarding new environments
- Developed complete CICD pipeline onto the GitLab from scratch
- Developing and Managing customizable GitLab CICD templates
- Troubleshooting and issue resolution on pipeline failure
- Handling complete deployment for Dev, QA, QLAB environments
- Working with clients for new nonfunctional requirements
- Submitting code vulnerability and scan to client's third party vender, it's mandatory even if there is already code and vulnerabilities scan added in pipeline.

Technology Stack: GitLab-Ci, Docker, Kubernetes, Helm, SonarQube, Maven, NodeJs, CassandraDB

Alibaba Migration Project (On-Site)

Description:

Worked at onsite project for Alibaba cloud as a **DevOps Support** Engineer for Cloud Migration project

Key Responsibilities:

- Resolving Database latency related issue over Alibaba Express Connect
- Migration of AWS S3 object to Alibaba Object Storage Service
- Web Application Firewall (WAF) testing for exposed API's
- And other Alibaba cloud related issues

Technology Stack: Alibaba OSS utility, Wireshark, AWS & Alibaba Cloud CLI

Cloud Migration (Off-Site)

Description:

I worked as **Software Developer** and used Python and Django REST frameworks to automate the migration. For the purpose consumed Cloud (AWS, Azure, GCP, VMware, and OpenStack) specific API's and python SDK's which enable to perform such migrations. Also contributed to develop and manage complete CICD pipeline for the same.

Key Responsibilities:

- Migrating the Virtual Machine from one cloud platform to another
- Migrating the Storage buckets with objects from one cloud platform to another
- Migrating databases Ex. PostgreSQL, MySQL, etc.
- Containerized application using Docker & Kubernetes
- Managing non-production CICD pipelines

Technology Stack: Python, Django, SDKs & APIs, Clouds, Shell Scripting, Docker, K8

Educations Details:

- | | |
|--|--|
| 1. Master of Computer Applications (MCA 8.07 CGPA)
RTMNU AUTONOMOUS
(Shri Ramdeobaba College of E & M) | Nagpur, MH, India
July 2015 to May 2018 |
| 2. Bachelor of Science (BSc 58%) in CS & Math's
RTMNU | Nagpur, MH, India
February 2015 |
| 3. Higher Secondary School Certificate (HSSC 55.07%)
Maharashtra State Board | Nagpur, MH, India
February 2010 |
| 4. Secondary School Certificate (SSC 63%)
Maharashtra State Board | Nagpur, MH, India
March 2008 |

Other Activities:

- Worked at National Service Scheme (NSS) of RCOEM as **Branch Representative**.
