### Klaus It, Front-end Developer

October 2021 – February 2022 | Bengaluru, India

I was hired by the Klaus IT for their client Robert Bosch at the position of front-end developer and placed their but at that time they don't have any project with react so i have tried with many project lead for any role in their projects, unfortunately they don't have any. So that's why five months they released from the company.
