SAKET KUMAR

Blockchain Architect

PROFESSIONAL SUMMARY

Highly skilled Blockchain Architect with 7 years of experience designing, developing, and implementing blockchain solutions for various industries. Strong knowledge of blockchain technologies, smart contracts, and decentralized applications. Proven track record of delivering innovative and efficient solutions for clients.

PROFESSIONAL EXPERIENCE

July 2020-Present

Tosh Innovations Pvt. Ltd
Blockchain Architect

- Led the design and development of blockchain solutions for clients in various industries, including finance, healthcare, and logistics.
- Collaborated with development teams to create smart contracts, decentralized applications, and custom blockchain solutions.
- Provided technical expertise and guidance to project teams throughout the development lifecycle.
- Developed proof-of-concepts and prototypes to demonstrate the feasibility of proposed solutions.
- Conducted code reviews and implemented best practices to ensure code quality and maintainability.

Nov 2017-July 2020

Tech4i Solutions Pvt. Ltd
Blockchain Developer

- Designed and developed blockchain solutions for clients in the finance and supply chain industries.
- Collaborated with cross-functional teams to develop smart contracts and decentralized applications.
- Contributed to the development of custom blockchain solutions using various blockchain platforms, including Ethereum and Hyperledger Fabric.
- Conducted technical training sessions for project teams and clients on blockchain technologies and best practices.
- Led the development of proof-of-concepts and prototypes to demonstrate the potential of blockchain technology.

PROFESSIONAL SUMMARY

- Experienced Blockchain Developer with a solid background in various Blockchain technologies - Ethereum and Hyperledger Fabric & Sawtooth and other EVM based protocols..
- Good understanding of the Web3.JS libraries and Decentralized Applications (dApps).
- Proficient in Asymmetric encryption, Symmetric encryption, Hashing using different algorithms.
- Proficient in Blockchain concepts (Mining, PoW, PoS and Smart contracts).
- Hands-on experience on NFTs and IPFS.
- Hands-on knowledge on cloud based platform like AWS.

EDUCATION

2010-2014   **B.E (Computer Science)**
RGPV, Bhopal

2010   **12th (Maharashtra Board)**
SSPMS, Pune

2008   **10th (CBSE Board)**
Calicut, Kerala

EXPERTISE

- Blockchain, dApps
- Ethereum, Smart Contracts
- Solidity, Truffle, Web3.JS
- NFT, IPFS
- On chain - Off chain Integration
- Hyperledger Fabric & Sawtooth
- Blockchain as a service
- CouchDB, MongoDB

EXTRAS

- Represented Kerala State Volleyball team in Under-14 National Level Tournament & Won 1st prize.
- Represented School & College team in Cricket & won several prizes.
- Participated in various Snooker & Billiards Tournaments and also won several awards.
