Bachelor of Technology
CVR College of Engineering, Hyderabad

08/2015 - 04/2019   *8.92 GPA*

Stream
- Computer Science and Engineering

Intermediate
Sri Chaithanya Junior College, Hyderabad

06/2013 - 04/2015   *96.7%*

Stream
- MPC

SSC
Swami Vivekananda Concept School, Karimnagar

06/2012 - 04/2013   *9.7 GPA*

Syllabus
- SSC

PROJECTS

Encoding and Content Ingestion Modules on OTT platforms (08/2020 - 12/2020)
- I have automated the encoding, and content ingestion modules, which convert the source video into multiple quality presets and uploads them to Google Cloud Platform and ingest the metadata to Client OTT Platforms such as Flimbox Live, Film1, Dizi Channel, Fishtube.
- **Technologies used:**- Python, Node JS, MySQL, Google Cloud Platform.

Tableau Resource Migration Platform (09/2019 - 03/2020)
- Tableau resource migration platform is a web application for migrating tableau resources from one environment to another and also perform manual and periodical backups. I built a frontend application that integrates with Tableau REST APIs to initiate, manage the transfers and backups.
- **Technologies Used:** Python, Django framework, Tableau Server REST APIs, Bootstrap, JavaScript, HTML and CSS.

Gemfire Credit Fetch Microservice (09/2019 - 03/2020)
- I have built the Microservice to perform control, request, and validation checks before calling the backend Credit Fetch REST microservices. I have set up the integration of the microservice with the Gemfire Database to perform GET operations.
- **Technologies used:**- Java, Spring Boot, Gemfire, Pivotal Cloud Foundry.

SKILLS

`C` `Java` `Spring Tool Suite` `Python` `NodeJS` `Django` `Javascript` `MySQL` `Bootstrap` `Gemfire` `Google Cloud Platform` `RESTful Service` `Object Oriented Concepts` `MongoDB` `DBMS` `Data Structures` `Algorithms` `HTML` `CSS`

CERTIFICATIONS

CERTIFIED SYSTEM ARCHITECT in PEGA (03/2018 - Present)

WORK EXPERIENCE

TV2Z (08/2020 - Present)
Software Engineer I

SYNCHRONY (09/2019 - 03/2020)
IT DEVELOPER

VOLUNTEERING

Smart India Hackathon 2017
Student Volunteer for Smart India Hackathon hosted by Govt. of India. at CVRCE, Hyderabad.
