HTML | CSS | Javascript | JQuery

## EXPERIENCE

### USER EXPERIENCE DESIGN INTERN AT MINDCURRENT, OR (SEP 20 - Present)

- Engage with product management, engineering, marketing and the leadership team to understand requirements.
- Develop and present documentation, user flows, annotated wireframes and interactive prototypes.
- Leverage user testing to improve concepts and alternatives.
- Ensured design standards and best practices are consistently and appropriately applied within design work.

### USER EXPERIENCE DESIGN INTERN AT HEMP BLACK, PA (MAR 20 - MAY 20)

- Researched about hemp material to build a face mask design for COVID-19.
- Learn about the target audience to strategize for an interactive ipad screen.
- Created a logo animation for the company introduction.

### BRAND EXPERIENCE DESIGNER & STRATEGIST AT YORKER HEALTH, NJ (JAN '19 - JUL '19)

- Executed full design process to make a new application.
- Designed a minimalistic logo design based on the requirement.
- Created a navigational user flow for an on going project.

### EXPERIENCE DESIGN INTERN AT HUMBL, FL (JUN '19 - SEP '19)

- Interactive design for snapchat advertising
- Promotional layout to display at an event
- Paper prototyping design

### RESEARCHER AT SIX VIEW ENGINEERING, NC (NOV 17 - JAN 18)

- Case study and content analysis to determine the look and feel.
- Structured data for the appropriate target audience
- Prototyped a website according to the data content.

### DESIGN MANAGER AT INTEGRAL SPACE, INDIA (MAR 15 - APRIL 16)

- Created quality layout designs for multiple clients
- Execution and design decisions for production
- Planing and coordination for workshops
