EDUCATION

Msc in Applied Mathematics with computer programming

Vidyasagar University

06/2016 - 06/2018

60.5%

Courses

- specialisation in **Operational Research**

Honors in Applied Data Science

World Quant University

03/2019 - 03/2020

Master in Machine Learning with Deep Learning and NLP

iNeuron.ai

11/2020 - Present

WORK EXPERIENCE

Subject Matter Expert

Chegg India

06/2018 - Present

Tasks

- clearing doubts and concepts,
- providing answers to worldwide students particularly on Math Calculus part.

ML Intern

iNeuron.ai

05/2021 - Present

Achievements/Tasks

- **AutoML** approach
- building **MLOps** pipeline
- exploring cloud services

SKILLS

Python

SQL

Web Scraping

Pandas

Numpy

Sklearn

Supervised and Unsupervised ML Algorithms

Strong mathematical understanding of ML techniques

Model deployment in different cloud services

NLP

PowerBI

MLOps

AutoML

AWS

Analytical and Mathematical thinking

CERTIFICATES

Python for Data Science (06/2020 - Present)

issued by IBM

Applied Data Science (04/2020 - Present)

World Quant University

AWS Cloud (06/2021 - Present)

Ethnus in association with NASSCOM FutureSkills Prime

LANGUAGES

English
