EXPERIENCE

Metacube Software Pvt. Ltd.

Salesforce Developer, 12/2018 - Present

I am working as a **Salesforce Developer** in the company. This job came with different opportunities and challenges as I had no prior experience in Salesforce or Cloud Computing. In My Portfolio I worked for 3 projects TWG, RRPF and Riveron Lightning Migration.

Systweak Software Pvt. Ltd.

Android Developer, 08/2017 – 12/2018

Systweak Software is a product based company which deals in technologies like .Net, MAC, Android, IOS and many more. My Job role is to design and develop a new product in Android.

In my development portfolios I have well rated Android Apps such as **Duplicate Contact Fixer**, **Advance Call Recorder** and **Social Fever**.

Gempulse Infotech Pvt Ltd.

Android Developer, 06/2016 – 08/2017

The company is client based which provides solutions such as SEO, web & mobile development and other services. The Job role is to build apps for E-commerce based clients with quality and stability along with code centrality and reusability. I developed following Android Apps during my journey in the company **The E Nation**, **NeedsTreat** and **Havas Media Group**.
