EDUCATION

Degree	Institution	Year of completion	CGPA
Master of Science (M.Sc) Mathematics and Computing	NIT Warangal	2019-2021	8.32
Bachelor of Science (B.Sc) (Hons.), Mathematics	Midnapore College	2016-2019	7.78
Senior Secondary (XII), Science	Kharagpur Silverjubilee Highschool	2016	9.50
Secondary (X)	Gopinathpur Highschool	2014	9.70

SKILLS

Mathematics

C++

MachineLearning

MySQL

ADDITIONAL DETAILS

Rank 374 in IIT jam exam in 2019

PROJECTS

Malignancy prediction in cancer using Logistic Regression

This is a classification problem where I had to predict whether a person has cancer or not. I have used Logistic Regression. Language used Python(numpy, pandas, scikit-learn)
