
EXPERIENCE SUMMARY

- **Over 9.7 years of IT experience** in Analysis, Object Oriented Design and Implementation of solutions including **extensive experience in Documentum Product Suite using AGILE Framework.**
- Expertise in Documentum tools like D2 4.x, Content Server 6i/7i, Documentum Administrator, Webtop, Workflow Manager, Documentum Composer /Documentum Application Builder, FAST Index Server, xPlore, DFC, WDK, DQL, and API.
- In-depth knowledge of installation, debugging and support of Documentum based applications software.
- Proficient with Documentum Product Suits & frameworks.
- Hands on experience with application servers like Apache Tomcat and WebLogic.
- Profound knowledge of software development and content management system implementation.
- Proficient in Object Oriented Design Methodologies and all phases of the Software Development Life Cycle model.
- Understands the complete Lifecycle of IT project including Requirements gathering, Design, Development and Implementation.
- Strong written and oral communication skills.

SKILLS AND CORE COMPETENCIES

- **Documentum Product Suit :**

D2 & D2-Client 4.7 SP1
 Documentum 6.1SP1,6.5 SP2,7.1, 16.4
 Documentum Web Client (Webtop & DA) Workflow Manager
 Documentum Application Builder
 Documentum Composer
 Repoint & DqMan DQL, DFC &
 WDK

- **Programming Languages:** Java

- **Database Technologies:** MySQL, Oracle 11G, SQL Server, Azure DB

- **Operating System :** Windows, Linux & Unix

- **Other Tools:** Eclipse, Putty, Toad, WinScp, SonarQube, Jira, Confluence, SVN

PROFESSIONAL SUMMARY

**Core IT Team
 Manager**

**Viteos Capital Market
 08/2019 – Till date**

- **Successful installation and POC of D2 16.4 Web application.**
- **Working on various upgrade and migration strategy of existing Documentum application from various product version to 16.4**
- Enhanced system performance and impact availability and resolved complex technical design issues.
- Support/Maintenance/Enhancement of lower environments.

Packages

Firmenich

Documentum Consultant

11/2017 – 08/2019

- **Successful migration of D2 Web application from 4.5 SP1 to 4.7.**
- **Successful completion of CCASP Project which automated the business process for Legal Contracts Globally.**
- **50% Improved performance of one of the WEB report via backend query performance improvement.**
- Analyzing and assessing clients data processing requirements and implementing Documentum solution accordingly.
- Involved in Documentum Development which included creating and maintaining Profiles, Users, Roles, ACLs, Jobs, Methods, Workflows, Object Types & Attributes, Notifications, DQL.
- Interacted with the users to resolve their queries and help in the better understanding of the applications.
- As part of COE Team, currently working on IoT based project.
- Support/Maintenance/Enhancement of lower environments.

GM Documentation IT

BNP Paribas

Senior Software Engineer

08/2016 – 11/2017

- Assisted various departments such as development, analysis and database to resolve various issues in the production.
- Support/Maintenance/Enhancement of the UAT and Production environments.
- Continuous support to the application and end users without any escalations.
- Interacting with business users regarding new requirements.
- Development and delivery of the new requirement/enhancement following SDLC project lifecycle.

**Document Storage System (DSS)(GOA-Transcom Merge)
Functional Consultant & Developer****BNP Paribas
11/2015 – 07/2016**

- Performed coding of medium to high complexity, unit testing of core system functionality and corrected defects during various phases of testing.
- Analysis of the business functionality & documenting requirements/specification for the same.
- Discussions on the different strategies for development of all the functionalities.
- POC of the development strategies.
- Consultation to the developers on the functional aspect of the project.
- Understanding of the existing functionality of Transcom & analysis of the common functionalities (technical & non-technical) between two applications.
- Performed peer code and reviewed design to support business applications.
- Involved in development of Test Plan and Test Cases for Unit Testing, System Testing and User Acceptance Testing (UAT) .
- **Successful completion & delivery of the project within timeline.**
- **Timely decommission of the EOL servers.**

**Global Organizer Application (GOA)
Software Engineer (Support Analysis & Developer)****BNP Paribas
08/2014 – 07/2016**

- Support/Maintenance/Enhancement of the UAT and Production environments.
- Involved in Documentum Development which included creating and maintaining Profiles, Users, Roles, ACLs, Jobs, Methods, Workflows, Object Types & Attributes, Notifications, DQL, Renditions.
- Continuous support to the application and end users without any escalations.
- Interacting with business users regarding new requirements.
- Delivery of the new requirement/enhancement following SDLC project lifecycle.
- **Successful Documentum upgrade from V5.3 SP2 to V6.5 SP2 for GOA GUI.**
- **Successful Windows Server migration from 2003 to 2008 for GOA web services.**
- **Automation of the support process by developing standalone tool using DFC.**
- **Automated scripts for monitoring and maintenance tasks.**

**Document Management System (DMS)
Software Engineer****Tata Communication Ltd.
03/2011 – 08/2014**

- Support/Maintenance/Enhancement of the UAT and Production environments.
- Continuous support to the application and end users without any escalations.
- Providing induction to new joiners in the team regarding technical and other processes followed by the organization.
- **Application performance tuning.**
- **Automation of the support process by developing standalone tool using DFC.**
- **WDK Customization of login page and warning message of login page.**
- **Automated scripts for monitoring and maintenance tasks.**

CAREER STINTS & DESIGNATION

Company Name	Designation	Period	Client Details
Viteos Capital Market India Private Limited	Manager	5 th Aug 2019 – Till date (5months)	NA
Quinnox Consultancy Services Ltd.	Manager	16 th Nov 2017 – 2 nd Aug 2019 (1year 9months)	Firmenich Aromatics India Pvt. Ltd.
