OBJECTIVE

Seeking an opportunity to leverage my knowledge of 3d software and good knowledge of design I want to work in a renowned organization where I can contribute my skills & prove myself as a best competitor for the employee of their company and best worker for the company .

SOFTWARE EXPERIENCE

3DS MAX:- I am having good command in 3d design software using vray for realistic renders and know some of the plugins like itoo forest pack which gives realistic exterior garden view and i am working on it for the last one and half year.

AUTOCAD:- I use it as my design layout

PHOTOSHOP:- For making the most realistic materials

PREMIERE PRO:- I used it as my walkthrough of a design

EDUCATION

(INTERIOR DESIGNING)

(2018- present): Design viz pro (interior design)in maya academy of advanced cinematics (rajouri garden)

(BACH. Degree)

(2015-2018): school of open learning, Delhi University
(U.G)-B.A. (programme) – 58%

2015 (12th): Modern Chid Public School

N.medical- 68%

2013 (10th): CRS Public School-8.0 CGPA

ACHIEVEMENTS

- ❖ Worked collectively with various departments such as 3D Production,, Shading & Texture lighting Department.
- ❖ Adobe Certified Associate Photoshop(11/2018).
- ❖ played volleyball at zonal level
