ABOUT

I began my career as a Salesforce Admin and had opportunities to work in enterprise projects with multiple teams based in different countries. Later I assumed the role of Automation Engineer where I was handling a python project with it's DevOps process.

If collaboration with hands-on experience of 3 years in different salesforce/python technologies is what you are looking for then I will be a perfect fit for your organization.

EDUCATION

Dr. D Y Patil SOE, India (08/2013 – 05/2017)
