- Strong domain knowledge of Telecom
- Quick learning and Issue resolving capabilities.
- Strong communication, collaboration and team building skills.

Project Details:

CLIENT – STC Telecom, Kuwait

Jun 2018 – Present

Description:

STC Telecom is one of the leading telecom services providing company in Kuwait. As an ETL Developer, performed Data Integration, Data Quality and Sanity checking and Data Migration using Oracle Data Integrator ETL Tool & developed several Tableau dashboards with advanced calculations.

Contribution:

1. Worked alongside business clients at onsite helping with IFRS9 standard report development.
2. Developed the IFRS9 & IFRS15 standard reports using oracle SQL and PL/SQL for client STC telecom.
3. As a part of offshore ETL team, was responsible for looking over the cumulative data integration into our data warehouse, installation of ODI application, creation of Master and work repositories, integration of load plans, mappings and agents at application level and data migration. Also, designed scripts to automate execution of the entire process of file migration at server level.

4. Developed Tableau dashboards with advanced calculations, scheduled extracts and worked on performance tuning.
5. Worked on modifications, maintenance and enhancements of existing reports and dashboards based on business requirements using Tableau.
6. Performed data analysis, data validation and data mapping using Tableau.
7. Conducted unit testing and developed database queries to troubleshooting any issues.
8. Designed and deployed graphic visualizations with Drill down and drop-down menu option, building and publishing customized interactive reports and dashboards using Tableau.
9. Worked extensively on SQL and PL/SQL for various Ad hoc requests.
10. Involved in exhaustive business feasibility checks as per client requirement.
11. Liaising between business stakeholders and technical team for achieving business goals.

Technical Skills:

- Business Intelligence
- Data Warehousing
- Extract Transform Load (ETL)
- Tableau
- Oracle Data Integrator v12c (ODI)
- Oracle SQL/ PLSQL

Technical Training/ Certifications:

- Tableau, Udemy, Inc,2020
