PROJECT SUMMARY

Client: French Bakery Dubai
Duration: November to till date.

Redefining the concept of Boulangerie Patisserie, French Bakery was set up in 1997 as part of the renowned La Marquise Group. For the first time the city experienced the unique concept of a Bakery plus Café plus production facility! Inspired from the villages of France where one can enjoy fresh produce straight from the bakery - this new introduction in the city was an instant success. Baking delectable delicacies require an uncompromising attitude, unbelievable craftsmanship and unwavering passion for perfection. At French
