

Hello! I'm **Trina** - Designer based in Chapel Hill, North Carolina. I specialize developing logic and process of digital experiences using UI/UX, branding, and marketing. My work is grounded at the intersection of **technology and entrepreneurship**. - I am a passionate believer of creating meaningful experiences and now constantly pursue my vision for a community through which I can fuel my creative spirit & ignite passion in others.

## EXPERIENCE

SEP 2020—  
JAN 2021

### Lead Visual Designer **KAMO DIGITAL SOLUTIONS**

As the Principle Designer, I've worked on the design front of websites, web and mobile apps, branding and social media marketing projects. I focused specifically on UI/UX & branding design and currently oversee marketing to help align the team and provide digital solutions to clients.

JUL 2010—  
JAN 2021

### Salon Manager/ Nail Artist **NAIL CARE SPA**

Ongoing managerial position leading inflow of clients while maintaining staff duties. I work diligently to maintain an atmosphere that promotes employees to engage with clients and build authentic relationships.
